

# BICYCLE PATH BETWEEN HIGHWAY 12/ GREEN VALLEY ROAD CLOSED

## INTRODUCTION

The bicycle path between Green Valley Road and Highway 12 will be closed during scheduled construction work as part of the Interstate 80 (I-80)/Interstate 680 (I-680)/State Route (SR 12) Interchange Improvement Project. This bicycle path will be rebuilt and replaced as part of the Interchange Improvement Project. The reconstructed bicycle path is expected to open in 2016.

Bicyclists should call Solano Napa Commuter Information at **800.535.6883** between 8:00am and 5:00pm (Monday through Friday) for information on other transit options while the bicycle path is temporarily closed. Additionally, Fairfield and Suisun Transit (FAST) offers bus service between the Cordelia Library (near Green Valley Shopping Center) and Oakbrook/Lopes Road in Fairfield, Monday through Saturday on Route 8. FAST buses can accommodate two bicycles at one time on the bicycle rack. Visit <http://tiny.cc/FAST8> to view a map and schedule for Bus Route 8.

## ABOUT THE PROJECT

With a 70 percent growth in traffic demand over the past 10 years alone, traffic congestion through the I-80/I-680/SR 12 interchange in Solano County has become unbearable, substantially reducing travel times and impacting the movement of goods and services through the vital I-80 corridor. The project involves a major reconstruction of the interchange to accommodate existing and future traffic demands, improve HOV and transit use, accommodate new and expanded truck scales facilities and maintain access for local businesses and residents.

## HOW TO PLAN ACCORDINGLY

-  Plan enough time for other transit options if passing through this area on your bicycle ride.
-  Share this temporary bicycle path closure information with others.
-  Contact Solano Napa Commuter Information at 800.535.6883 for transit options during closure.
